LUNE VALLEY HEDGEROWS UPDATE

Alongside volunteers (some of whom were recruited from an item in the Melling Chronicle in March) we were successful in planting nearly 2 km of new hedgerows on our farm at Farleton. We planted approximately 9000 plants from a blend of 7 native varieties, these being: hawthorn, blackthorn, holly, hazel, beech, crab apple and dog rose.

A massive **Thank You** goes to all the volunteers who gave their time, energy and enthusiasm to the planting of hedgerows, we could not of done it without you. In recognition of the contribution you gave, a donation has been made to the British Trust for Ornithology.

I so enjoyed meeting you all and are very grateful that you volunteered. I am looking forward to seeing the hedges grow and to see them provide habitat and food for wildlife, over the seasons and years to come.

TOGETHER WE DUG THE SOIL AND PLANTED, IT'S OVER TO NATURE NOW.

Many thanks, April.

MELLING INSTITUTE: BILLIARDS HANDICAP COMPETITION

As the village hall enjoys it's centenary year, a reminder of the past appeared a few months ago, when former committee member Beryl Kilpatrick presented me with this trophy which she had taken into safe keeping some years ago when the hall was undergoing some major building works. The cup bears the inscription **"Melling Institute Billiards Handicap Challenge Cup Presented By Colonel Sir Henry and Lady Darlington 1930"**. The solid silver cup was made by James Dixon & Sons Ltd, Sheffield 1927. Colonel Sir Henry Darlington and Lady Darlington lived at Melling Hall.

This must have been quite an expensive trophy and one assumes there was some prestige in winning it. What brought the competition to an end in 1958? Coincidentally the same year the microchip was invented, which led to the development of so much electronic alternative entertainment! Where did the billiard table come from, with the competition starting just eight years after the hall was built? I have been told the billiard table remained in the hall for many years, despite it occupying a significant amount of space. It is perhaps an indication of the dominance of menfolk at the time that the table remained in situ for so long. When was it finally removed and where did it go?

The photo of Colonel Sir Henry Darlington was taken by Walter Stoneman in 1925 and is reproduced here with the kind permission of The National Portrait Gallery.

The three layered base of the trophy carries 29 years of winners shields with the Bell family appearing to achieve the most success, closely followed by the Gibsons.

MELLING ST WILFRID CE PRIMARY SCHOOL

We enjoyed plenty of Easter celebrations before our Easter break and we have been able to take part in lots of visits and had visitors into school.

We worked with local artist Sue Flowers on Mexican tree of life 'Arboles de la Vida' clay structures based on the work of Tiburcio Soteno Fernandez. The KS2 pupils all had the opportunity to make one themselves to take home and we have 2 group ones on display. We also had a lovely church service before Easter to celebrate Easter around the world.

On the last day of term the Juniors went to watch 'Gangsta Granny' at Blackpool Grand Theatre which was a great way to end the term.

The Juniors also visited the Lakeland Wildlife Oasis as part of their work on grouping and classifying animals.

We also had the chance to work with a comic artist Kev Sutherland and created our own comic books.

The juniors from Tatham Fells and Winmarleigh schools came to join us for the day and we enjoyed learning about illustration, took part in Lenten workshops and took a sports leader course. We also got to show our great play area to friends from other schools.

We are all very grateful to the Melling Trust for their financial support for our school visits and local artists. Our pupils are very lucky to have such wide and varied opportunities and to be part of such a supportive community.

LUNE VALLEY SWIMMING POOL

'SPLISH SPLASH' PARTY NIGHT - RE SCHEDULED..

LVCS would like to apologise to all supporters and friends who planned to attend the party night at Arkholme Village hall on April 2nd.

Unfortunately one of the members of The Jetsons tested Covid positive a couple of days before the event and we had to cancel.

However, we have been able to re-book for the first available date of **July 30th** at the Hornby Village institute.

All tickets sold for Arkholme will be honoured for the new date or fully refunded if this not convenient.

We have been asked, why *Splish Splash*? This was the promotional fun theme we used to raise money at events for reopening the pool. It's a 1958 novelty hit song written by Bobby Darin, sung by Charlie Drake and played by the Jetsons to get our fun nights going!

Sincere apologies to all concerned! Further details of the Hornby Institute party night available shortly.

Please continue to check our website and Facebook for pool operating guidelines and timetables.

Above all come along and enjoy your pool. Thank you for your support, we always look forward to seeing you .
