## CONSERVATION AREAS

Most of the homes in Melling with Wrayton lie within a conservation area. This means that the area has special rules for planning. These can be found by looking on the Lancaster City Council website or by searching on the internet. It is a homeowners responsibility to follow these rules.

### WRAYTON CONSERVATION AREA

### MELLING CONSERVATION AREA

A map of our parish, showing our two Conservation Areas, can be found by going to: <http://mario.lancashire.gov.uk/agsmario/default.aspx> Click on the tab 'Countryside Environment and Waste' and then select 'Conservation Areas'. In Melling, according to this map, Lune View and all properties NE of the railway (except Galley Hill Farm) are outside the CA. In Wrayton, Hawthorn Cottage, Sunny Croft Farm, and Wrayton Hall Farm are outside the CA.

## SHIRLEY ELIZABETH OTLEY

22 JANUARY 1935 - 29 JANUARY 2023

On 29 January 2023 Shirley passed away at Holme Farm Residential Care Home in Lincolnshire where she had lived since leaving Old Lune Barn in Melling. She grew up in North Lincolnshire, one of six children from a local farming family, her father being both a farmer and a local preacher.

Following school in Ilkley and college at Evandine, Shirley became Bursar at Hull University where she met her husband Chris who was a Sociology lecturer. They subsequently moved to Sheffield and later to Lancaster where Chris became Head of Sociology at Lancaster University. During this time Shirley ran several successful businesses including two art galleries in Bowness and Windermere.

Shirley spent 20 years living in Melling. She was a very sociable and gregarious person and was active and busy throughout her life.

She leaves three sisters, Eileen, Patricia and Elle and a brother Arthur. Following the service held at Woodlands Crematorium, Scunthorpe on 14 February 2023, Shirley's ashes are to be buried alongside her late husband in Scotforth Cemetery, Lancaster.

## ST. WILFRID'S CHURCH, MELLING

### REPAIRS TO OUR CHURCH ROOF: JOIN US IN PRAYER THIS LENT

St Wilfrid's church is the treasured heart of our community and a place held so dearly in hearts of those who live and worship in Melling. We are blessed to have such a historic church building in the centre of our beautiful village and it belongs to all of us. As you may have noticed on visiting the church, and after some wet and very windy weather this winter, the church roof is showing signs of urgent damage and decay. Falling plaster and puddles of rainwater are now common occurrences inside the church, leaving those who worship in and care for the church building with feelings of great concern, worry and at times, in moments of downheartedness, despair. Large scale repairs are needed soon and it is possible the church may need a new roof.

Our congregation is small but it is also Spirit-filled and we are dedicated to doing all we can to address this now looming task. However, we cannot do it on our own and we need your prayers and support. Therefore, we are very excited to invite EVERYONE in the community to join us in prayer for the 40 days of Lent. As we ready ourselves to embark on what will most likely be a very long, difficult and time-consuming process of diagnosis, assessment, applications, paperwork, fundraising and everything that goes with repairing a Grade 1 listed building, we recognise that our first step forward is prayer. The Bible teaches us that when we pray we allow God the release remarkable power, so please consider joining us in unleashing that power by praying for St Wilfrid's every day during Lent. You may wish to offer your own prayers or use this example to help you:

***Heavenly Father, grant us strength, wisdom and patience at this time. Bless this place and all who live and worship here. Send your Holy Spirit to guide everyone in this community to find a way forward. Lord this is a daunting task and we ask that you be with us, even when we do not recognise your presence, and bring us together with all our different talents and skills to repair and restore this beautiful historic church of St Wilfrid's Melling. Amen.***

## COOKING CORNER ... LEMON CAKE

Why not make a Lemon Cake for Mother's Day?

### INGREDIENTS

#### For the cake

- 225g unsalted butter, softened
- 225g caster sugar
- 4 large eggs
- 225g self-raising flour
- 1 tsp baking powder
- 75g natural yogurt
- 1 tsp vanilla bean paste or extract
- 3 lemons, zested

#### For the drizzle

- 150g granulated sugar
- 3 lemons, zest of 2 pared into strips, juiced (you'll need 60ml)

#### For the icing

- 150g unsalted butter, softened
- 150g icing sugar, sieved
- 1 tsp vanilla bean paste or extract
- 300g full-fat soft cheese

### METHOD

1) Heat the oven to 180C/160C fan/gas 4 and line the base of two 20cm sandwich tins with baking parchment. Beat the butter and sugar together for 3 mins using an electric whisk until smooth and fluffy. Add the eggs, one at a time, beating well between each addition and scraping down the sides of the bowl. Fold in the flour and baking powder until well incorporated, then fold in the yogurt, vanilla and lemon zest. Divide between the tins and bake for 30-35 mins until golden and a skewer inserted into the middles comes out clean.

2) Meanwhile, make the drizzle. Tip the sugar, lemon juice and 100ml water into a small pan set over a medium heat and stir until dissolved. Add the lemon zest, bring to the boil and simmer for 2-3 mins until the zest has softened and the liquid is syrupy. Remove the zest to a sheet of baking parchment using a slotted spoon and remove the syrup from the heat.

3) Leave the sponges to cool for 10 mins in the tins, then pour over the warm drizzle. Leave to cool completely.

4) For the icing, beat the butter and icing sugar together using an electric whisk for 4-5 mins until smooth, scraping down the sides of the bowl as you go. Add the vanilla and soft cheese and beat for 4 mins more until thick and creamy. Don't worry if it doesn't look thick at first - it will loosen, then thicken again as you beat it.

5) Remove the cooled sponges from the tins. Spoon the icing into a piping bag fitted with a star nozzle. Put one sponge on a cake stand or serving plate, and pipe just under half the icing around the edge using a circular motion for a wavy effect. Pipe a little more icing over the empty middle (this doesn't need to be neat) and smooth with the back of a spoon. Chill for 45 mins-1 hr until set. Top with the second sponge, then pipe eight blobs of icing around the edge at regular intervals, leaving a gap between each. Spoon the candied lemon zest into each gap, then serve.

## LITTER PICKING

An energetic small team of volunteers from Wrayton have given up their time to clear the verges of the A683 from Greta Bridge to Cringleber Farm entrance, of the debris that has been ejected from vehicles by inconsiderate motorists.

Among the debris, apart from lager tins and chocolate wrappers, some stranger items such as a car battery, sandbags and a lunch box were collected. The photograph shows just some of the astonishing amount of bags that were amassed.

**“A big thank you to all the volunteers”**

## THE ROTARY CLUB OF LUNESDALE

To date this year club members have welcomed some excellent speakers covering a variety of very different topics. These have included “The Life and Times of a Banker”, “Army Service Across The World”, “Across India in a Tuk Tuk” and “Barrow Shipyard”.

In the past few months Club President Dave Tuohy has welcomed some new members.

When the club welcomes new members traditionally, after they have settled in, they will give a job talk which reveals a fascinating insight into their professions.

In future months we look forward to hearing many more interesting speakers. These will include an update on the school in Kitale, Uganda, the restoration of an old car named Ruby Vi and The Ascent of Kilimanjaro. If you would like to come along to listen to any of these talks you will be welcome.

On a monthly basis the Rotary organisation publishes a magazine entitled, not surprisingly, “Rotary”. All clubs are encouraged to submit articles re their current projects/activities within their community. It makes for fascinating reading to realise just how much support clubs do provide within the various Rotary Districts across the country and indeed

worldwide. The next paragraph is from the RIBI website and tells how Rotary responded quickly to the earthquake disaster in Turkey and Syria:

*“The Rotary world responded to this catastrophe immediately. RI President Jennifer Jones activated our disaster response efforts, communicated with the affected districts, and encouraged governors in those regions to apply for disaster response grants and share information about their relief efforts so that Rotary can amplify the calls for support.”*

In recent days many people have said to me how lucky we are to live where we do.

*Stay well, stay safe. Lilian*

We hope that as many people as possible will come along, both members and guests. This should be an enjoyable event, offering you a well-loved speaker, together with good company, in a warm and friendly atmosphere.

## News From The Neighbours

### LVCS HORNBY POOL - SWIM THE LUNE!

The lovely little community pool in Hornby continues to thrive and during 2022 we welcomed over 28,000 users. This is massive increase over 2021 - when we were closed for 3 months!

250 children swim every week plus all who attend with their schools. Other groups include: Lunesdale Divers, Lancaster Sub Aqua, Cubs and Beavers and our famous family party bookings.

We are pleased to confirm that Scott Townend and Georgia Tazzyman were promoted to Pool Managers in 2022 and they are introducing new sessions such as Splashball and many more..

They are also organising a 'Swim the Lune' - Swimathon in March and all details are on line - Swim the lune - not literally, just the 53miles distance from source to sea!

For 2023 we have commissioned an energy audit of pool plant and building. This will assess efficiency and make recommendations on improved operation and upgrades.

This will help us pull together an investment programme, with projected energy savings for the future..

This is great local community success story -and to celebrate we are holding a 'thank you' **Coffee morning on Saturday April 22nd at 10.30am in the Hornby Institute**, where you can enjoy cake and coffee and have a chat with the team. We are continually reviewing the timetable and welcome all ideas and suggestions..

The Coffee morning will be followed by an **AGM at 12.00pm** which you may also wish to attend, It's optional! Further details will be available shortly.
