ACCIDENT IN MELLING!

Although there was a lot of concern and disturbance in the village on the 16th September when a road traffic accident occurred around midday between a car and a motorcycle on the A683 in the middle of the village. Fortunately it was a low speed collision and no serious injuries were sustained, the motorcyclist was air-lifted to hospital as a precaution and the car driver was taken to hospital by ambulance due to the shock he had suffered.

A passing doctor and another motorcyclist were on the scene very quickly as were a number of residents who helped until the ambulances and police arrived.

Quite unusually the car had hit the motorcycle from behind and the motorcyclist was thrown clear landing in the driveway of The Old Malt House. The motorcycle became wedged under the car and it took around 3 hours to clear the wreckage.

MARIE JOSEPHINE BAKER “A LIFE LIVED TO THE FULL”

Marie was born on September 28th 1951 in Old Hill, the Heart of the Black Country, close to Birmingham. Her father was a mechanical engineer and Marie would often help him at his workplace packing boxes with nuts and bolts. She had two brothers, John older, and Mark younger than her. They shared a very happy childhood. Holidays were especially enjoyable, travelling with their parents around Europe on a limited budget, which meant a lot of camping.

Instead of taking the expected secretarial path Marie decided early on that her career should be in education. After attending Newman College, close to home, for teacher training. Marie moved to Stoke Newington, London in 1973 to start her career in teaching.

It was there at a party, that she met Stewart. In 1975 Marie moved to Dunstable, Bedfordshire and on a very hot day in July 1976 Marie and Stewart were married, moving into their first house shortly after.

Marie's first job was teaching Geography and Mathematics at Icknield High School, Luton; the area had a significant number of pupils from ethnic backgrounds and Marie thrived in this challenging environment, gaining a reputation of being able to defuse even the most awkward situations. Icknield High School was the springboard for future career success.

Marie gained a Degree in Geography/Geology in 1983 and a Masters Degree from Oxford Brooks in 1993. She became Deputy Head of Denbigh High School, Luton, with her first Headship at Houghton Regis Upper School following 3 years later. Her successes at Houghton Regis lead to Marie being invited to apply for the Headship at Sandy Upper School, East Bedfordshire.

At Sandy Marie steered the school back to success and restored its' position of pride within the community following the hard times the school had fallen upon due to poor OFSTED Reports. She obtained multi-million pound funding for an on-site community sports centre and top class running track. This involved negotiation at Government level.

Despite having demanding careers Marie and Stewart moved house twice. Both times within Bedfordshire before finally settling down (or so they thought) in Aspley Heath, next to the Woburn Estate.

Marie had a very happy and fulfilled working life, and in 2007, she decided to retire to enjoy her allotment and her new hobby of patchwork and embroidery.

Not content with just tending a single piece of ground, expansion took over and Marie finished up with 3 allotment plots, which in addition to providing fruit and vegetables for the table also gained awards in competitions.

She was instrumental in setting up a very successful embroidery group in Milton Keynes (MKGEMS) where liked minded ladies explored all aspects of machine sewing, from basic to very advanced projects. Marie was also member of The Institute of Advance Motorists. Marie was very supportive of Stewart and his hobbies (Amateur Radio & Flying); she was Stewart's first passenger after he qualified for his Private Pilot's Licence!

Freed from the constraints of school holidays Marie and Stewart travelled widely, with frequent trips round Europe, and to the States, one of their last holidays was an Alaskan cruise.

The move to Melling in 2014 was a calculated risk for Marie and Stewart and one they never regretted, they were welcomed into the community and made many new friends. Marie became the editor of the Melling Chronicle for a few years from 2015 until 2019 which allowed her to meet even more people. She joined the Thursday Group and the Patchwork Group and became involved with the Church and Village Institute. She refused to join committees of any description, though, saying she'd had enough of those to last her a lifetime.

Much to her irritation, Marie was diagnosed with cancer in June 2019. It was overwhelming and scary at first, added to eight months later, by all the COVID restrictions and issues.

With the loving support of Stewart, her brother Mark and sister-in-law Elaine,

and the many old and new friends she did her best to put up a stubborn fight for just over two years; her view was “there can’t be many other people you would prefer to be with or places you would rather be” under such circumstances.

Marie was always grateful for the level of support she received from everyone near and far and would have wished for her thanks to be passed to everyone concerned for helping her get through with their kindness, friendship and comforting words.

Marie died on July 26th 2021 in St John’s Hospice, her ashes were interred in September at Dalton Woodland Burial Ground.

Marie will be missed by so many people, not least of all - by me...
Stewart Baker

Very soon after arriving in Melling, Marie became the Editor of the Melling Chronicle. Thanks to Marie’s commitment and organising skills, the content and production of the Chronicle were given a new life. Readers appreciated the clear and attractive layout, including the photos, some of which were taken by Marie herself. A monthly diary of events on the front page gave residents no excuse for not knowing what was on locally, in the school, church and Village Hall. Marie was also instrumental in collecting and cataloging a wealth of documents and photos covering nearly a hundred years of parish history; these documents form a valuable part of the parish archive. The Parish Council remembers Marie’s contribution to the 21st-century life of the parish with gratitude.

David Nott

I recently met up with Stewart to talk through what should be written in the Chronicle about Marie, he brought a copy of a letter that he had opened the evening before. It was a letter to Marie from an ex-student, telling her about her family, her COVID experience as a front-line health worker and thanking Marie once again for her time, patience and friendship to her when she was a troubled teenager. Marie was a special lady, generous of her time and skills as a needlewoman. Melling and Tatham churches have stunning evidence of that in their altar cloths.

- Safe off street parking
- Holiday club available during all school holidays
- Childcare vouchers accepted

Looking for childcare? Call Danielle Brown to discuss your individual requirements or to arrange a visit.

THE FAIRBANK SOCIETY

The Fairbank Society is a registered charity located near St Mary's church in Kirkby Lonsdale. Our main purpose is to provide a high standard of accommodation and support for independent older people. Our residents have chosen us so they can maintain their independence, but be relieved of the day to day chores involved in living alone, such as cooking, cleaning, washing and gardening.

Residents pay a monthly rent which covers all aspects of living such as food, laundry, cleaning, property maintenance, broadband and help from staff. The only extra charges are for a telephone, and any personal care that may become necessary, which can be sourced through local agencies.

If you would like more information,

please telephone 015242 71077,

e-mail Janet at manager@fairbanksociety.com

or visit our website www.fairbanksociety.com

MELLING ST WILFRID CE PRIMARY SCHOOL

It has been a busy and exciting start to the new school year.

Our topic this half term is space and the children returned to school to find out that an alien ship had crash landed in Melling playground. The children looked for clues and investigated the situation, writing some excellent news reports.

We were also privileged to have a visit from Mrs Heather Burwin. Her husband, Alan was an evacuee at Melling St Wilfrid during the second world war and stayed with a local family from the age of 4 to around 8 years old. Unfortunately he recently passed away but always spoke kindly about Melling school and the fantastic teaching which had helped him in life.

Mrs Burwin very kindly donated money to help towards the cost of our chrome books and was pleased to see how they are being used. If anyone knows any more about the evacuees in Melling school we would be fascinated to know and I would pass on the information to Mrs Burwin.

*Fiona Ip,
Headteacher*

Y1 and 2 chat to Mrs Burwin

KS1 in the willow

COOKING CORNER...

BLACKBERRY AND APPLE CRUMBLE MUFFINS

INGREDIENTS

- 300g plain flour, plus extra for dusting
- 1 tbsp baking powder
- Pinch of salt
- 190g caster sugar
- 210ml milk
- 1 large free-range egg, beaten
- 100g butter, melted
- Finely grated zest of 1 large lemon
- 250g (1 large) Bramley apple
- 150g blackberries

FOR THE CRUMBLE TOPPING

- 15g butter, at room temperature
- 25g plain flour
- 15g demerara sugar

Why not try them for pudding, breakfast or a mid-afternoon snack with a cup of tea!

METHOD

1. Preheat the oven to 200°C/fan180°C/gas 6 and line a 12-hole muffin tray with paper muffin cases.
2. First, make the crumble topping. Rub the butter into the flour until it resembles fine breadcrumbs. Stir in the sugar and work the mixture with your fingers until it forms nuggets.
3. For the muffins, sift the flour, baking powder and salt into a mixing bowl and stir in the sugar. In another smaller bowl, beat the milk with the egg, melted butter and lemon zest.
4. Peel, quarter and core the apple, and cut into blackberry-size pieces.
5. Stir the wet mixture into the flour and sugar mixture until combined. (It's fine if it's still a bit lumpy.) Stir in the apple and blackberries.
6. Spoon the mixture evenly into the paper cases and sprinkle over the crumble topping. Bake for 20-25 minutes until risen and golden. Cool for 5 minutes, then serve warm.

For a change add 25g of chopped nuts such as pecans or walnuts to the crumble topping.

JOB VACANCY

SECRETARY - ST WILFRIDS EDUCATIONAL TRUST

St Wilfrids Educational Trust is a local Charity who's purpose is to award Educational grants to individuals or groups who reside in Melling, Wrayton or Wennington.

The Trust meets twice a year, usually in April and October to discuss any grant applications that have been received.

The role of the Secretary includes:

- Organising meetings
- Taking the minutes
- Managing correspondence
- Actioning the Trusts decisions

Trustees and Committee are Volunteers, the position of the Secretary is paid annually. If you are interested then please email ursula@customate-europe.co.uk

INSPIRING WOMEN

TUNSTALL WI IS BACK!!

After a 17 month hiatus the WI held its first meeting in August with a wedding themed event. Chris McGregor, a wedding facilitator gave a talk and this was followed by a mock wedding with one of our members playing the part of the very lovely bride. Members were encouraged to play the part of wedding guests and many sported fabulous headgear.

The meeting closed with cake and alcohol free prosecco and was pronounced an excellent start to the resumption of meetings.

In September our speaker was Nigel Parrish, a volunteer with North West Blood Bikes. He spoke about the valuable and critical work done by this charity for the NHS. The meeting closed with refreshments.

Our next meeting will be held at **Tunstall Parish Hall 7.30pm** on the **13th October** when our speaker will be Ruth Gibbons talking about "Eating well, feeling great". New members are always welcome.

Ladies, why not come as a guest and see whether the WI is for you.

THE ROTARY CLUB OF LUNESDALE

The Club has now held 2 face to face meetings since Covid restrictions have been eased and will try to continue using a hybrid combination until all members are happy to attend face to face meetings. It was so good to meet up with friends and to enjoy the fellowship which is synonymous among Rotarians.

I have mentioned in a previous newsletter that Rotary has adopted a 7th area of focus which all about caring for and protecting our environment. At long last governments of the world are waking up to the need to do this. Many of you will have seen on TV the devastating floods in New York recently and watched the damage they created in so many ways to lives and property. The really terrifying aspect of the floods was the speed at which they occurred. Bearing in mind the environmental changes occurring around the globe you may wish to attend the event plus there will be an opportunity to ask questions of experts.

Dear Councillor

The environment initiative has been adopted by Rotary International with Rotary in Great Britain and Ireland as their seventh (or new) "Area of Focus" and the Rotary Club of Lunesdale believes that it can achieve most by encouraging people in the Lune Valley and surrounding area to take action themselves to mitigate global warming, rather than just waiting for the Government to take action.

With that in mind we have arranged an initial open public meeting on **Wednesday 20 October at 7.30 at the Hornby Institute** and have asked Lancaster University if it would like to become involved, and to provide one or more speakers from its environment department to speak, and to lead discussions as to what, in practice, should be done. My understanding of the initiative is to encourage good environmental practice at the local and household level.

I am delighted to say that Professor Mike Berners-Lee has arranged for some of his team in Small World Consulting to do just that.

This will form one of the first external events in the "Cop 26 at Lancaster Festival" week, leading up to the Cop 26 summit in Glasgow, so the timing is very appropriate.

I am sending this preliminary notice to all Parish Councils in our area, together with other interested organisations, in the hope that you will want to encourage your members to come to the meeting, and to become involved - entry will be on a first come first served basis, but it would be helpful if you send me an email on martinandaltheagillibrand@gmail.com to give us an idea of numbers.

Martin Gillibrand Environment Chairman

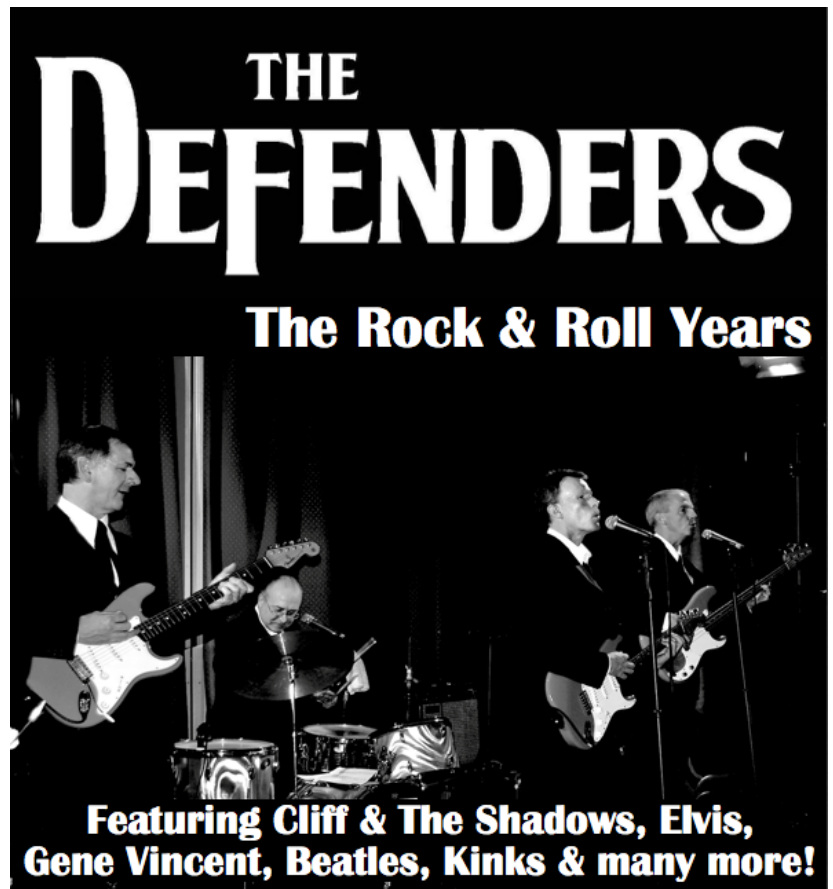

It is hoped that the 2 events shown below, to be promoted by the club, may now be possible whilst adhering to all guidelines in place at the time:

1. "The Defenders" Rock 'n Roll concert on Saturday 6th November.

2. "Kendal K Shoes Male Voice Choir" Christmas carol concert Saturday 11th December.

You may like to put the dates in your diary and watch out for further publicity re ticket sales.

*Keep safe, keep well
Lilian*

HORNBY LUNESDALE PROBUS CLUB

Hornby Probus Club was pleased to meet at the Hornby Institute for the first time for 18 months and able to re-start its programme of entertaining and informative talks.

During September we enjoyed two very impressive speaker presentations. The first by Siobhan and Martin of Miles-Moore Ceramics being a review and demonstrations of their award winning and highly creative ceramics business and later in the month Dr Andrew White guided us through the impact of the English Civil War on local communities.

Everyone agreed it was so good to meet up with old friends again, even under current Covid19 restrictions.

The programme continues in **October** when the following sessions are planned. Start time for the meetings is **10am for 10.30am**

Monday 4th October: Hornby Castle the first 900 years. Sue Bull has promised some new revelations!

Monday 18th October: From Rhode Island to Bermuda via Cuba. A yachting tale from Andy Crossley.

On the social side - The club is once again planning to visit Liverpool for the Liverpool Philharmonic '**Spirit of Christmas**' Concert on **Saturday 18th of December**. Members, guests and friends all welcome.

For further details please contact Hornby Lunesdale Probus Club on 015242 22283.

Hornby Castle

HORNBY PENSIONERS

Nice To See You, To See You Nice is understating how great it was to see so many members at our informal AGM in September. Thank you all for coming & for providing such a super spread. It was lovely to catch up with you all, and some very useful decisions were made. Most notably, it was agreed that in future we should meet in the afternoon: events that include a meal will be held at lunchtime & speakers meetings will start at 2.30pm.

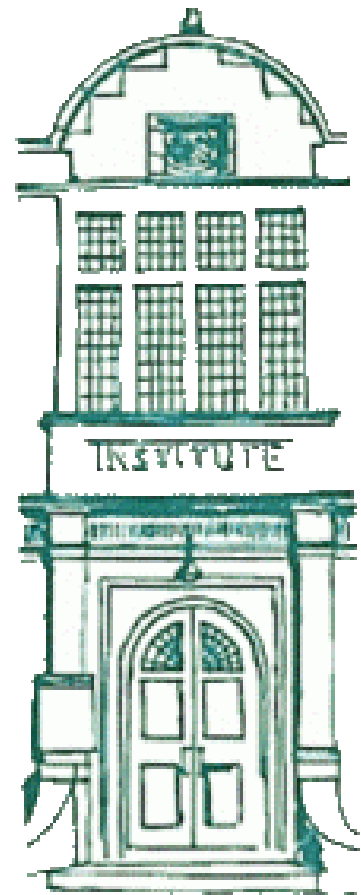

The time for each event will of course be publicised in later editions of this newsletter.

WHIST & DOMINOES

These will continue to be held in the Institute at 7pm on Saturdays, beginning on **2nd**

October. Arrangements will be as before, including a raffle for prizes brought by members on the evening.

A NOTE FROM KATH

October Trip:
Tuesday, 12th October, 10am start, picking up at all the usual places. This will be the last trip of what has been a very difficult year for us all, so let's hope it's a good one. Autumn tints (we hope!) in the Lakes. After talking to Bibby's, there is a slight change in the itinerary, in that we will go to Glenridding first for a short stop and then to Keswick

Keswick and looking beyond to Derwentwater and Cat Bells

for our second stop. Chris Bibby, who is the expert in these matters, says this will be the better way time-wise. Booking is at Hornby Institute on **Tuesday & Thursday mornings between 10am & 12midday**, or call me on **015242 21845** or **07597774681**.

Just so we know, Bibby's are still recommending mask-wearing on the coach.

Regards to all, Kath.

FUTURE EVENTS

In November we will be having a POTATO PIE LUNCH with entertainment & in December our CHRISTMAS LUNCH PARTY also with entertainment. Full details to be included in future editions of this newsletter.

MEMBERSHIP

We are not charging fees for membership this year. Eileen will be collecting for 2022 as usual in the New Year.

So, lots to look forward to! In the meantime, take care & stay safe.

CALLING ALL PHOTOGRAPHERS!

Have you taken a recent photo of somewhere in our beautiful villages, or the surrounding area, that you think could appear on the cover, back cover or inside the issue somewhere?

Preferably it should be a high resolution digital image. Everything will be considered and you can choose to be credited or not.

If the photo is seasonally relevant that's even better. Come on and share the love of our beautiful area and forward your photographs to mellingchronicle@yahoo.co.uk

ADVERTISING IN THE CHRONICLE

The Chronicle is distributed round Melling, Wrayton and Wennington, therefore an advert placed will reach a lot of local people who are looking to support local businesses.

If you would like to advertise here please contact:

LUNE VALLEY SWIMMING POOL- MANAGER

Chris Green the Hornby Pool Manager is leaving us at the end of September. The Trustees are currently conducting interviews and plan to have a new manager in place in October.

We all wish Chris the very best in his next venture and thank him for his endeavours over the past few years since the restored pool was opened..

Despite all Covid19 closures and various setbacks the pool continues to recover and we have had amazing attendances over the summer holidays.

Thanks to everyone for supporting our community pool we recently achieved a record with lessons and visitors booking almost 550 admissions in a single week.

LATEST POOL NEWS.

Open Family Swim Availability:

We are pleased to announce that our open fun sessions, where every family is welcome to come and join us for a splash, start from October.

Just 25 places available per session. Book online now to enjoy a fantastic time with a range of small inflatables and toys to play with in our 30°C heated pool.
